

REMARKS

This application is a continuation-in-part of U.S. Patent Application Serial No. 10/327,869 filed December 26, 2002. The present claims have been amended to remove claims currently pending in the parent application (Claims 1-71). Claims 72-95 remain in the application for examination. Entry of the amendment is respectfully requested.

Applicants respectfully submit that the application is now in condition for examination. Favorable consideration is respectfully requested.

Respectfully submitted,

PIPER RUDNICK LLP
